

NATIONAL GARDEN CLUBS ORGANIZATION

NATIONAL LEVEL

NGC Schools Chair: Each NGC School's Chair has overall responsibility for the operation and activities of that School's program in coordination with the School's Committee.

Accrediting Chair: Accrediting Chairs are assigned to deal with records of students and consultants from various regions and serve as liaisons to the state schools' chairs within each assigned region, helping to maintain the educational standards of the school.

Consultants' Council Chairs: Encourage the establishment and maintenance of Councils specific to that school or as part of a Bi- or Tri-Council including provision of guidelines and support for State Garden Clubs forming or having Councils. Maintain a current list of Councils with contact information, and assist Councils and serve as a liaison between Councils.

International Affiliates Schools Chairs: Schools conducted by the International Affiliates follow their own separate guidelines, process and protocols based on NGC guidelines.

Region Chairs: Some regions have Schools and/or Council Chairs. These are appointed by the Region Director and primarily serve as liaisons between NGC Schools' Chairs and the State Schools' Chairs within that region.

NGC Schools Secretary: Among other activities, receives from Accrediting Chairs approved course rosters and summaries, and for LDS/GS/ES Accreditation (Form 6) and Consultant Refresher Accreditation Applications (Form 7), and testing and refresher fees for completed events.

STATE LEVEL

State Chairs: The State School's Chair is responsible for the assigned ES, GS, LDS and FSS offered within his/her state. Schools may be sponsored by a member club, group of clubs, district, council or the state, but the State School Chair is responsible for the program, regardless of the sponsoring group and acts as general overseer.

Credentials Chair: Either for each School or one Chair for all Schools. Maintains student and consultant records within the state.
